Re: City of Villa Rica - Appointment of Deputy City Manager

Dear General Carr, Deputy Attorney General Banks, and Mr Johnson:

This law firm represents Mayor Leslie McPherson of the City of Villa Rica. On or about February 21, 2024, the City Attorney for Villa Rica, C. David Mecklin, Jr., sent your office a request for a "Review of legal opinions for the City of Villa Rica." A copy of that letter to your office is attached hereto. The issue set out in that request relates to the recent appointment of former Mayor Gil McDougal to the position of Deputy City Manager of Villa Rica.

As set out in the attached correspondence, Mayor McPherson believes that the appointment of the former Mayor to this position violates the City Charter. We respectfully respect that you consider the attached correspondence and the issues and arguments set out therein in drafting any response to Mr. Mecklin's request for an opinion letter on this issue.

Please feel free to contact me if you have any questions or if you need any additional information. Thank you for your consideration in this matter.

Sincerely,

Douglas Chalmers, Jr.
